"RENEWED" PETITION UNDER 37 C.F.R. 1.137(b) TO REVIVE
UNINTENTIONALLY ABANDONED APPLICATION

Sir:

The above-identified patent application became abandoned for failure to file a timely and proper reply to the Office Action dated November 3, 2006. Applicant requests reconsideration of the Decision on Petition dated June 13, 2008, and again respectfully petitions for revival of the above-identified patent application. In order to obtain a grantable petition, Applicant is submitting: 1.) a Notice of Appeal from the decision to finally reject claims 1-18 in the Office Action dated November 3, 2006; and 2.) an appeal fee in the amount of \$510.00 as set forth under 37 C.F.R. § 41.20(b)(1).

The entire delay in filing the required reply from the due date for the required reply until the filing of this grantable petition under 37 C.F.R. § 1.137(b) was unintentional.

A terminal disclaimer is not necessary due to the fact that the above-identified patent application was filed after June 8, 1995.

It is respectfully submitted that the present petition is grantable, and an early indication of the same is courteously solicited. The Examiner is respectfully requested to contact the undersigned by telephone at the below-listed telephone number, in order to expedite resolution of any issues and to expedite granting of the present petition, if any comments, questions, or suggestions arise in connection with the present petition.
